

## MaxxFan Dome (Plus) 12V Rooftop and Sidewall Vents

Exhaust only, one speed, 1.5 kg, 2 Amp, H 75 mm,  $\phi$  220 mm

Compact Solution for rooftop or sidewall ventilation and moisture control in small areas including bathrooms and showers. Easy to install.

### 12 v exhaust fan white or black with or without led

- Designed for rooftop or sidewall ventilation
- 16 cm exhaust only fan with manual lift lid
- Locking lid with single hand push button operation
- Removable screens make cleaning a breeze
- For 26 mm roof thickness - extensions up to 150 mm
- Packaged with a matching fan guard that must be used for sidewall applications.

For sidewall applications, the fan guard acts as a rain shield and protects your interior from weather and debris. Additionally, the fan guard provides protection from accidental contact with the fan blades.
